TRAFFIC JAM

For many years, Daniel has been driving to work and back home every weekday. Every morning, on his way to work, especially during rush hours, the highways are usually crowded causing traffic jam. The situation is even worse in the evening when he drives home. If there is an accident or a car has broken down and block the lane, most of drivers have to wait for hours or turn back to go on another route. In the winter, especially when it snows, it is strongly for vehicles to move on thick layer of snow. Many people have to leave their vehicles outside and walk home because they completely cannot move. Daniel feels really tired when he is stuck in a traffic jam, so he usually listens to music and waits until the end of traffic jam.

Exercise : Read and decide if each statement is true or false or not given.

Hello. My name is Lucy. Last week I went to visit my friend Samantha in Spring Town.

That was my first visit to Spring Town, and I rode my motorbike to Samantha's house.

Firstly I saw a No U-turn signal. So I had to ride forward until I see a U-turn signal. I

turned and kept riding, then I noticed the crossroad sign and check my map. I saw that I

had to turn left. But the red traffic light was on, and I had to wait for 60 seconds. I

turned left and I got stuck in a traffic jam. I waited there for nearly 15 minutes. There

was a car accident there, a car hit a motorbike and ran. At that time the motorcyclist

was moved to the hospital. I could keep my riding. Unfortunately, my phone was out of

charge, so I could not check my map and had to ask people there for route. After one

hour and 02 times of getting lost, I finally reached my friend's home. It is unbelievable.
