Week 14 - Date: 24/10/2026 (*Gợi ý đoạn văn mẫu:*) I live in Hanoi, and the traffic here is very busy and crowded. During rush hours, there are always heavy traffic jams because a lot of people travel on the roads by motorbikes and cars. Sometimes, road users do not obey traffic rules, which causes road accidents. To make the traffic better, everyone should follow the traffic laws carefully and use public transport like buses and trains more often.
